### Fr Jack

**"The mass is ended go in peace to love and serve the lord"** I often wonder if we hear these words. Things have ended so get out as fast as possible. Maybe the priest should say "good bye." But this is the call of our baptism, the call of John The Baptist. The call of every Christian. That we go out and spread the word of God. That we tell others about what the Lord has done for us. It was the final commandment of Jesus **"Go teach all nations, baptise them in the name....."**

Priests and nuns and a few lay people went "Away/abroad" to do something like that. But most Christians, I believe never saw it as part of their baptism/work"

Th UK is now a missionary territory and most people will never enter a church. The only bible they will ever read is you/your life. If you don't tell them they will die never knowing.
